SIX CONSTRUCTION Six major construction projects - not including

PROJECTS COMPLETED the two new buildings - have been completed re-

cently at CSCSB. The California Department of

General Services, Office of Architecture and Construction, has an-

nounced the completion of the following CSCSB improvements: initial

development of the campus main utility distribution tunnel; road con-

struction; installation of utilities; storm drainage; area lighting;

and sanitary sewer line extensions.

The College currently has 31 construction projects in various

stages of development. Some of these are "invisible," such as the

nine-foot-in-diameter utilities tunnel, but vital to the progress of

a growing institution.

ART COMMITTEE Dr. Robert Harrison reports that the new Committee for

PLANS SHOWINGS the Arts for the California State Colleges is de-

vising a schedule to show the collection of various

works of art to exhibit in the 19 State College campuses. Dr. Harrison

was invited to a private showing of the Founding Collection in Los

Angeles on November 29.

RETURN OF As a result of the recent moves to new quarters, many

KEYS REQUESTED staff members have keys in their possession which are

no longer needed. Mr. Herbert Brown, Director of the

Physical Plant, requests that all staff members who have keys to pre-

viously assigned offices turn them in to his office as soon as possible.

TELEPHONE DIRECTORY The new CSCSB Telephone Directory will be ready  
DUE OUT NEXT WEEK Tuesday, December 5, (unbound) and Wednesday,  
December 6 (bound). The Publications Office and  
the Purchasing Office offer joint regrets for the delay, caused by the  
recent moves to the new Biological Science Building, and the extremely  
heavy workload in the Duplicating Center. The new directory will replace  
the temporary directory issued in September.

BRIDGE PLAYERS People interested in forming an evening bridge group  
URGED TO SIGN UP are asked to contact the Personnel Office (Ext. 215  
and 216) and leave their names. Beginners and all  
types of players are urged to join.

CAR RALLYE The Motor Enthusiasts' Club will hold a Car Rallye to-  
SET SATURDAY morrow, December 2. The rallye is open to all campus  
personnel and cars for \$1.00 per car (providing one person  
in the car buying a ticket has some identification connecting him with  
the College). The rallye is set to start at 6:30 in the parking lot.

HAMILCAR BARCA The College will be represented by a float in the  
TO RIDE ON FLOAT Rialto Christmas parade, December 16. The float will  
feature an alpine scene starring the College Mascot,  
Hamilcar Barca. Preparations have been made by the Sophomore Class,  
which is in charge of the float. They are soliciting assistance with  
the project in the form of workers and donations (lumber, wire, crepe  
paper or cash). Volunteers may contact Pat Landon (TU 2-7583) or Lynn  
Brosnahan at the ASB Offices (Ext. 347).

SUPERB MOVIE A film from India which won international acclaim, "The  
FROM INDIA World of Apu," is coming to CSCSB a week from tonight -  
COMING SOON on Friday, December 8 at 7:30 p.m. in PS-10. Admission  
is free to all CSCSB students, personnel and their friends.

This is the third film in Satyajit Ray's powerful trilogy of Indian  
life. The previous two films were "Pather Panchali" and "Aparajito."  
"The World of Apu" can be appreciated independently of the others, as  
it tells a complete story in itself. It concerns Apu's manhood - his  
life as a writer in Calcutta, his marriage, and his relationship to a  
young son.

"We are face to face with a great film, a classic in our time,"  
the New York Herald Tribune commented when the film was released in  
1959. "Nobody should miss it."

MAPS AVAILABLE Maps of the San Bernardino-Riverside area, as well as  
IN PERSONNEL maps of the CSCSB campus and the college's location,
